

## LEATHER 3M MAGNET 2 PCS SET CAR STAND VOLTE-TEL

**VOLTE-TEL's** new **LEATHER 3M MAGNET 2 PCS SET CAR STAND**, is a very clever and helpful way of easily protecting your favorite device. It is suitable for all smartphones in the market, with a modern design that catches the eye. The 8 times stronger magnet on the inside, as well as the specially manufactured, strong, 3M adhesive surface holds the phone firmly in place, while at the same time offering full access to the phone's other functions such as charging and hands-free mode, without needing to remove it from the base. You simply place it on your car's dashboard and place your smartphone on top of it. The stand will hold it firmly in place and out of any danger.

EXCLUSIVE

The new **LEATHER 3M MAGNET CAR STAND** comes in 2 pieces set, of which, the first is placed on the car's dashboard and the second is placed on your smartphone. The stand can be placed on any dashboard and can be rotated up to 90 degrees. Thanks to the special magnets, the phone can be easily placed on and removed from the stand.

Ideally combined with the **UNIVERSAL MAGNET** cases.
