

LEATHER-TPU BOOK STAND CASES

New **VOLTE-TEL** “**LEATHER-TPU BOOK STAND**” cases for all new smartphones in the market. Their modern exterior, made of high quality leather, sets them apart. Thanks to the TPU's special manufacturing with raised edges around the TPU and the magnetic strap that holds the front cover firmly in place, “**LEATHER-TPU BOOK STAND**” cases protect your device even from possible fall damages.

Avoid scratches on your screen by keeping the book-cover closed and preserve your phone brand new. The book-cover's interior has 2 cuts for your credit cards and another slot for your money. Finally, the **STAND** function makes watching videos and photos a much easier experience.

The “**LEATHER-TPU BOOK STAND**” cases are easy to place and remove, extremely light, thin and they do not block your phone's functions.
