

NEW BLUETOOTH **NSP BN219 RETRACTABLE CLIP ON HEADSET VIBRATION + ANTILOST**

New Bluetooth **NSP BN219 RETRACTABLE CLIP-ON HEADSET VIBRATION + ANTILOST** is an innovative accessory that will make it incredibly easy for you in your demanding day-to-day life, delivering the usability you've always wanted. It has **clip and cable wrap** that starts from the main body of the device and ends comfortably in your ear, with a total length of **40 cm**. It's so handy and comfortable you'll want to wear it all day long. With the ability to connect up to **2**

devices at a time, you'll connect both your personal and corporate phone to talk freely without having to search for your devices to answer. If you even **listen to music** on one of your devices and the other one rings, the music automatically turns off so you can talk to the device that is calling, and when you finish your call, you can **continue** to listen to your favorite music. Ultra-comfortable Bluetooth **NSP BN218 RETRACTABLE CLIP-ON HEADSET VIBRATION + ANTILOST** has a distinctive style and is equipped with **vibration** to notify you on incoming calls. It has an **anti-theft alarm that vibrates and flashes brightly blue and red** if removed from your device for more than 10 meters. With **Bluetooth v5.0** connection, for fast audio interaction, **long range up to 10 meters** but also **long battery life with up to 180 hours** and **7 hours of continuous talk** so you don't have to worry about being powerless in the most inappropriate moment.

The **NSP BN218 RETRACTABLE CLIP-ON HEADSET VIBRATION + ANTILOST** will free your hands! With the touch of a single button, you can make phone calls, reject an incoming call and re-dial the last number you called. Last but not least, it is important to note that on all iOS (APPLE) and Android 9 and above devices it displays the battery indicator and its percentage.

The **NSP BN218 RETRACTABLE CLIP-ON HEADSET VIBRATION + ANTILOST** is the perfect solution for those who **work and move around during the day** and demand clean and comfortable communication, as well as for those who **drive a motorbike without obstructing the use of helmets** due to the elegant size of the headset.
